Dear Budo practitioner, Matayoshi Kobudo of Seattle would like to welcome you and your students to participate in Okinawan Kobudo Gasshuku (seminar) in the Seattle area. Franco Sanguinetti Sensei

Sanguinette Sensei has spent many years in Okinawa training Kobudo with Matayoshi Sensei and Karate with Higaonna Sensei. He brings to us a wealth of Budo knowledge and many years of instructional experience. This event is open to all ranks, experience is not required. This event is open to all schools and is intended to promote Kobudo knowledge in an open and relaxed environment. Participants must provide their own weapons. (Bo, Sai, Tonfa, Nunchaku, Etc).

Even if Matayoshi Kobudo is not your style you will find information you can apply to your own Kata and Bunkai. We have more in common than in difference. It's through our associations and friendships we become a strong Kobudo community. Come join us and help continue this great martial heritage.
